 Regular Meeting
7:00-8:00PM

 Monthly Public Seminars

 Earth Day Meeting
8:00-9:00PM

Please note the new regular meeting time and day: 2nd & 4th Tuesday of the Month from 7-8 PM

September 18th 7:00 - 8:30PM
“CT Energy Conservation Programs”

George Messier of the Connecticut Energy Council for Teachers. Will present a Bethany public forum on Connecticut’s Energy Conservation programs. This 1.5 hour presentation will discuss CT programs to audit, recommend and provide rebates or grants to reduce energy consumption in the home. It will also discuss the Energy Star program and promote clean energy awareness in the community. The presentation will feature visuals, discussion, and Q&A. This forum will be held in the commission room at town hall.

October 16th 7:00 - 8:00PM
“Geothermal Home Heating”

Michael Sumple of Advanced Geothermal Technology in New Milford, CT will discuss issues related to using Geothermal energy for home heating, including the design, construction, maintenance and costs associated with installation and use. It will also discuss the payback and efficiency of this heating system. This presentation will be held in the commission room at town hall.

November 20th 7:00 - 8:00PM “Solar Hot Water Systems” **Mark Bergander** of Magnetic Development, Inc will present the advantages of using Supplemental Solar Hot water for domestic applications. Solar hot water has demonstrated faster payback than PV and simpler installation.

January 15th 7:00 – 8:00 PM TBD

February 19th 7:00 – 8:00 PM TBD

March 18th 7:00 – 8:00 PM TBD

April 15th 7:00 – 8:00 PM TBD
