- 1. No inspections will be made if appropriate Zoning and Building Permits have not been issued.
- 2. No mechanicals inspections will be made prior to the issuance of the mechanical permits.
- 3. Requests for inspections must be made to the Building Inspector in person or directly to him by telephone. Such requests require at least two full days notification, exclusive of weekends and holidays. A reinspection fee of \$50 will be paid to the Town of Bethany by the property owner or contractor if an inspection is made and the work is not completed and not ready for such inspection or does not comply with the Connecticut State Building Code. No further inspections will be performed prior to receipt of the \$50 fee.
- 4. **Soil / Footing Inspection:** Set forms and *prior* to pouring concrete call for an inspection.
- 5. **Foundation Inspection:** *Prior* to backfilling foundation call for an inspection. Footing drains, tar membrane, waterproofing, and rigid insulation should be installed prior to calling for inspection if these items are applicable.
- 6. **A-2 As Built:** Three A-2 as-builts are required prior to the construction of the superstructure.
- 7. **Framing inspection:** *All* electrical, plumbing, heating and other mechanical permits must be secured. If not previously submitted, heat loss/gain calculations must accompany all HVAC Permit Applications. A full framing inspection will be conducted in conjunction with all electrical, plumbing and HVAC roughs. All fire-stopping components shall be installed.
- 8. **Hearth inspection:** Rebar installed before poured.
- 9. Smoke Chamber inspection: at start of first floor
- 10. **Insulation Inspection:** Must be done *prior* to sheetrock.
- 11. **Final Inspection:** Contractor or owner should call for a final inspection.
- 12. **Certificate of Zoning Compliance / Building Use and Occupancy:** The owner or builder must request *in writing* that a Certificate of Zoning Compliance / Building Use and Occupancy be issued by the Building/Land Use Departments of the Town of Bethany *prior* to use and occupancy if required by the terms of the Building Permit. A Certificate of Use and Occupancy generally requires the approval of the following departments: Building, Highway, Inland Wetlands, Health, and Zoning as well as all mechanical permits having been obtained.
- 13. At least 14 days notice, exclusive of weekends and holidays, is needed before issuance of Certificate of Zoning Compliance / Building Use and Occupancy.
- 14. **Fire Marshal:** Any commercial occupancy will be subject to review and inspections from the Fire Marshal. Said inspections will be done in conjunction with the Building Department. All commercial occupancies will need to comply with the current Connecticut Fire Safety Code and shall be subject to annual inspections.

I have read the above and agree to comply with this process.
