Summer camp is meant to be a fun, educational and recreational activity. For the benefit of all campers, it is important that C.I.T's behave appropriately within the summer camps. If it becomes necessary to take disciplinary action against a C.I.T participant, the steps that will be followed are outlined below:

1st Incident: The C.I.T will receive a verbal warning and an explanation as to why the behavior is inappropriate (whenever possible, this will be done in a one-on-one setting removed from campers & other C.I.T's)

2nd Incident: The C.I.T will have an explanation on how his/her behavior was inappropriate and will receive a written warning that is to be signed by the C.I.T, C.I.T Supervisor, and Camp Director.

3rd Incident: The C.I.T will be excused from camp for the remainder of the week.

4th Incident: The C.I.T will be excused from the remainder of summer camp.

The Summer Camp staff reserves the right to bar any C.I.T from summer camps following incident in cases of extreme and/or serious behavior problems.
