Revised 09/23/25

Public Water Supply Watershed/Aquifer  
Project Notification Form  
For The  
South Central Connecticut Regional Water Authority

**REQUIREMENT:**

All applicants before a municipal Planning and Zoning Commission, Inland Wetlands Commission, or Zoning Board of Appeals for any project located within a public water supply watershed or aquifer protection area are required by Public Act 89-301 (Sections 8-3i and 22a-42f of the Connecticut General Statutes) to notify the affected public water utility by certified mail within 7 days of the application.

**GENERAL INFORMATION:**

Maps showing the location of Regional Water Authority (RWA) watershed boundaries are on file with municipal planning and zoning, and inland wetlands staff, and Town Clerks. The applicant's notification to the RWA should include the information requested on pages two and three. The RWA may request additional information if it is determined that a more detailed review is necessary. Any questions should be directed to (203) 401-2786, or [emoore@rwater.com](mailto:emoore@rwater.com).
