## ADDENDUM NUMBER 1

### FOR

### Public Bid 25-012 Excavation Contractor

This addendum is being issued for the following reasons:

- 1) Attached is a new replacement proposal page with a revised list of equipment to be used.
- 2) A revised Basis of Award as follows:

#### Basis of Award:

The Town intends to award the bid to the responsive and responsible bidder(s) offering the lowest weighted average hourly rate for the three-year period. The Town reserves the right to contract with the next lowest bidder(s), providing they can match low bidder's price if the low bidder cannot complete the work required within the prescribed timeframe.
