

BETHANY CEMETERY COMMISSION

MINUTES

June 17, 2021

Meeting held at Methodist Cemetery, 361 Litchfield Turnpike

The meeting was called to order by Chair Kris Sullivan at 7:36 pm. In attendance were members Will Brinton, Michael Calhoun, Carol Goldberg and Kris Sullivan.

The commission examined the Thompson plot. The family would like to bury the ashes of Robert Thompson's wife next to him and install a headstone for both parents. The available maps are not in agreement with the location of Robert's flush stone. The corners of the 10-grave plot were marked with flags, and we will ask Bob Marek to probe to determine Robert's exact location.

The minutes of the May 20, 2021 meeting were reviewed. Michael made a motion, seconded by Carol, to approve as presented. Unanimous approval.

The rest of the meeting was spent walking the cemetery and making a list of monuments that need repair.

The commission decided not to meet in July and August unless an urgent need arises. In that case, the chair will call a special meeting as required.

Kris made a motion, seconded by Michael, to adjourn the meeting at 8:20 pm. Unanimous approval.
